

Make it Count!

AFSCME Tri-Council Political Action Conference

AFSCME members have poured countless hours into fighting Scott Walker's attack on our rights. From mass protests to gathering nearly 2 million recall signatures, we've made history. Now we need to make it count.

It's time to win the recall elections and gear up for the other big local, state and federal elections on the ballot this year.

Make sure you get the most out of your political efforts by attending AFSCME's Tri-Council Political Action Conference in Madison on March 9, 10 and 11.

The conference features skill-building workshops, and will mark the anniversary of Walker's Act 10 with a rally and the world premier of the movie *We Are Wisconsin*. Space is limited, so find out more now at www.wiafscme.org
